Dear Dr. Garrison,

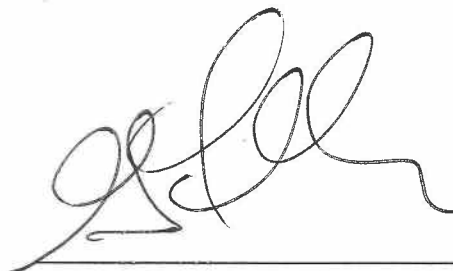

We would like to sunshine a proposal at the Board of Trustees meeting on May 12, 2011, and are requesting that you add the following item to the Agenda:

“MPCTA has an interest in exploring ways to mitigate the effects of loss of apportionment and wishes to enter into negotiations with the District on this issue.”

Thank you for your consideration,

Hazel Ross, Co-Chief Negotiator

Gary Fuller, Co-Chief Negotiator
