## Governing Board Agenda

January 24, 2012

New Business Item No. F

Administrative Services  
College Area

### Proposal:

That the Governing Board approve an increase in Parking Permit fees to \$50.00 per semester and \$25.00 per summer session, along with an increase in the Daily Parking Permit price to \$2.00. Annual permits will be \$90.00; or \$60.00 for students receiving Board of Governors fee waivers. Discounted semester permits will be \$30.00 for students receiving Board of Governors fee waivers or for students enrolled in six or fewer units. Annual permits for students enrolled in six or fewer units will be \$50.00. The new fee schedule will take effect for the fall 2012 semester.

### Background:

On September 6, 2011, the Governor signed SB 774 which amends Section 76360 to increase the maximum fees to \$50.00 per semester, \$25.00 per intersession and \$30.00 per discounted semester permit for students receiving Board of Governors fee waivers. This was an increase of \$10 over the old maximum rate per semester.

Education Code Section 76360 provides that all parking fees collected shall be deposited in the designated fund of the district, and shall be expended only for parking services or for purposes of reducing the costs to students and employees of the college of using public transportation to and from the college. The section defines "parking services" to mean the purchase, construction, and operation and maintenance of parking facilities for vehicles and motor vehicles as defined in Sections 415 and 670 of the Vehicle Code.

### Budgetary Implications:

The change in fee schedule is expected to generate additional parking revenue, which will help offset the costs of maintaining and operating MPC parking facilities.
