## Governing Board Agenda

July 27, 2016

New Business Agenda Item No. A

Superintendent/President  
Office

### Proposal:

That the Governing Board approves Monterey Peninsula College's Institutional Self-Evaluation Report to the Accrediting Commission for Community and Junior Colleges (ACCJC), in preparation for the ACCJC's External Evaluation Team visit to Monterey Peninsula College in October 2016.

### Background:

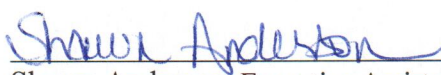

The ACCJC, which holds recognition by the U.S. Department of Education as an accrediting agency, requires that accredited institutions undergo an evaluation through self-study and professional peer review. To fulfill this requirement, institutions affiliated with the ACCJC are scheduled to undergo a Comprehensive Evaluation Visit every six years to ensure that the Commission's eligibility requirements and accreditation standards are being met. In preparation for the visit and to assist the visiting team members in their assessment, an institution scheduled for a Comprehensive Evaluation Visit is required to conduct an institutional self-study. The primary goal of the self-study is to provide evidence of institutional effectiveness and compliance with Commission standards. The self-study is meant to be an honest assessment of an institution's processes (i.e. planning, program review, and student learning outcomes).

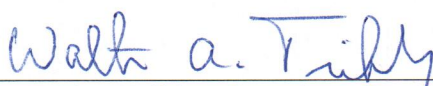

The writing of the MPC Institutional Self-Evaluation Report has had extensive participation by campus-wide constituents. A copy of this report will be provided to the ACCJC 60 days before the Comprehensive Evaluation Visit, which is scheduled for October 10-13, 2016.

**Budgetary Implications:** None.

**RESOLUTION: BE IT RESOLVED**, that the Governing Board approves Monterey Peninsula College's August 2016 Institutional Self-Evaluation Report to the Accrediting Commission for Community and Junior Colleges.
