MONTEREY PENINSULA COLLEGE

FIREFIGHTER ACADEMY

FPTC 105 A/B

Course: The academy is two courses (FPTC 105A & 105B) taken concurrently.

The program is designed to provide the student with the academic and manipulative skills required for certification as a Firefighter I & II through the Office of the State Fire Marshal. The Firefighter Academy requires significant commitment in time and dedication to complete. It requires both academic and physical skills in addition to extra motivation to endure the intensive schedule.

Prerequisites: *CPR card, successful EMT course completion ([EMT I is available through MPC](#)) NREMT not required but recommended; CPAT (candidate physical ability test); physical examination including spirometry test. [FPTC 101 \(Introduction to Firefighter Academy\)](#) is recommended but not required.*

Classes meet Saturdays and Sundays from 6am to 8am for physical training and 8am to 5pm (or longer) for classroom and manipulative training. Night classes are from 6pm to 10pm on Tuesday and Thursdays.

Students will be required to attend classes from 8am to 5pm Monday – Friday for one week each for **Wildland, Rope Rescue Awareness/Operations, Hazardous Materials FRO/D, and State Certification Testing**. Students must participate in skills practicing days for Midterms, Finals, and State Certification Testing.

MPC offers two academies per calendar year (Spring and Fall semester.) Each Academy is 17 weeks in length.

Cost: MPC tuition, plus additional costs for the Academy materials. Please call for details.

Process for signing up for the Academy:

Applicant names are taken on a first come - first served basis.

For questions about the Firefighter Academy email: icavanaugh@mpc.edu or call (831) 646-4218.
