GOVERNING BOARD POLICIES

Chapter 5 Student Services

5050

BP 5050 Student Success and Support Program

The District shall provide Student Success and Support Program (currently referred to as the Student Equity and Achievement (SEA) Program) services to students to further equality of educational opportunity and academic success. The purpose of Student Success and Support Program services is to bring the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements.

The Board expects the Student Success and Support Program to specifically identify and close opportunity gaps that impact student success and improve the District's commitment to diversity, equity, and inclusion to better support student success.

The Superintendent/President shall establish procedures to assure implementation of Student Success and Support Program services that comply with the Title 5 regulations.
