

Monterey Peninsula College Library Archives & Special Collections Department

Archives Fees Policy

Copying Services. The Archives facilitates access to its collections and the information they contain by providing copying services. All inquiries concerning reproductions must be referred to the Archivist. Resources permitting, the Archives will conduct a limited amount of copying on behalf of researchers, and reasonable fees will be charged for this service. All copies—whether made by department staff or researchers—must be made in accordance with copyright law, departmental procedures, and concern for the physical preservation of the records.

All requests require prepayment.
