

Academic Senate Goals 2017-2018

1. Actively participate in the revision of integrated planning and resource allocation process
2. Safeguard the tenets of MPC's Academic Freedom Policy and Academic Senate's role in the design and assessment of student learning outcomes, program outcomes, and general education outcomes.
3. Participate in the review, revision and, if necessary, writing of Board policies and administrative procedures related to academic and professional matters.
4. Clarify and safeguard the role and legal authority of the Academic Senate and the Curriculum Advisory Committee with all parties on campus.
5. Review and encourage posting of clearly defined roles and administrative processes related to curriculum including who, does what, when, based on what criterion.
6. Support Academic Senate subcommittees including the Students First Committee and the LGBTQIA+ Diversity Committee as they identify student needs for and/or barriers to attaining academic success.
7. Through the Flex Committee provide professional development opportunities es that are academically timely, relevant, and useful to MPC faculty.
8. Assist with communication on campus by clarifying ways in which campus members can formally express themselves at MPC.
9. Lead the campus-wide discussion on emerging initiatives and legislation, specifically Guided Pathways, multiple measures for assessment, and the acceleration project, that directly impact 10 plus 1 matters.
