GOVERNING BOARD POLICIES

Chapter 5 Student Services

5160

BP 5160 Child Care

The college provides the following services for parents and/or child caretakers who are enrolled students and/or are MPC staff: Early Childhood Education Lab School, Student Health Services, and Counseling Services.

No children are ever to be left unattended in any part of the college. Anyone observing an unattended child should report the matter to Campus Security who will attempt to locate the parent or person providing care for the child. If a child is in danger, Campus Security will call the Monterey Police Department if a parent is not found.
