

# Arthritis and Inflammation

Learn about the different types of arthritis — inflammatory and non-inflammatory — and how they differ. Learn ways to identify and treat gout, rheumatoid arthritis, psoriatic arthritis, and other forms of the disease.

## Speaker

Neville V. Udwadia, MD, FACP  
Board-certified rheumatologist

**Wednesday, June 6, 5:30–6:30 p.m.**

Ryan Ranch Outpatient Campus  
2 Upper Ragsdale Drive, Building D, Monterey  
Poppy and Lupine conference rooms
