

WHY PMB?

We know your parking budget is important because we manage a parking program too! Operated by the CSU Stanislaus Police Department, PMB has successfully processed parking citations for higher education campuses for over 20 years! New features are developed specifically for higher education environments.

DO NOT CITE LIST

Get guest license plates to your handhelds in real-time. Or let officers know entire lots or areas are off limits for a specific time-frame.

MOBILE PAYMENTS

Get mobile permit information to your handhelds in real-time with PMB Smart Connect.

ONLINE PERMIT SALES

Students, faculty & staff can purchase permits online and print a temporary permit while their permit is mailed to them directly.

We don't itemize, we simplify! With equipment and services included, PMB's 'per citation' fees are deducted from citation revenue. Your monthly PMB statement shows revenue and deductions from PMB and DMV. Your revenue is transferred to you via electronic fund transfer, you never have to write us a check - it's that EASY! To allow time to build citation revenue, the **first three months are free and will never be deducted.**
