Dear Professor Bolen and members of the Stock Society Theatre Arts Club at MPC:

On behalf of the staff and students of La Mesa Elementary School, we would like to thank you for treating our school to a special performance of *The Cat in the Hat* and *Green Eggs and Ham* in honor of Dr. Seuss's birthday. Your show brought some of our favorite storybook characters to life and was the highlight of our Read Across America celebration.

We would like to thank Professor Bolen for recommending the Stock Society and putting them in contact with us. We also want to greatly acknowledge Melissa Kamnikar, Club president, for her time, effort, and "can do" attitude. Within a matter of weeks, she led her team in planning, practicing, and putting on a wonderful performance. Finally, we would like to thank the cast for generously giving their time and talent to make Dr. Seuss's birthday celebration a fun and memorable experience for our students. In case you have not seen it, please click on the following links for news clips from KSBW and Univision, as well as a link to an article that appeared on the front page of *The Monterey Herald*.
