

Academic Senate Annual Goals 2019-20

Goal 1: Faculty Diversification

Aligning with ASCCC and MPC Board of Trustees annual goals, and in conjunction with Guided Pathways planning, investigate best practices, seek guidance from state partners, and develop recommendations for increasing diversity among MPC faculty; additionally, work with campus partners to bring increased awareness of culturally responsive instructional practices.

Goal 2: Faculty Hiring Processes

In collaboration with Human Resources and Academic Affairs Advisory Group, review and revise full and part-time hiring practices.

Goal 3: Learning Support Services

In conjunction with Guided Pathways planning, continue campus-wide discussion regarding learning support services, and develop recommendations to implement effective, sustainable, and comprehensive learning support.

Goal 4: Communication

Continue to understand and communicate campus processes, in particular, resource prioritization and curriculum processes.

Goal 5: Support Campus-Wide Planning and Initiatives

In collaboration with appropriate stakeholders, support campus-wide planning and student success initiatives, including development of the Education Master Plan and Administrative Procedures, as well as the continued implementation of Guided Pathways.
