BP 2610 Presentation of Initial Collective Bargaining Proposals

The Superintendent/President shall develop administrative procedures that assure compliance with the requirements of Government Code Section 3547 regarding the presentation to the Governing Board of initial proposals for collective bargaining. The intent of Government Code Section 3547 is to inform the public of the issues that are being negotiated upon and provide full opportunity for the public to express their views to the District.

Collective bargaining begins when either an exclusive representative or the District itself presents an initial proposal for consideration in accordance with the timelines specified in the bargaining agreements between the District and the Monterey Peninsula College Teachers Association, and the California School Employees Association Chapter #245 - MPCEA/CSEA.
