

GOVERNING BOARD POLICIES

Chapter 4 Academic Affairs

4100

BP 4100 Graduation Requirements for Degrees and Certificates

The District grants the degrees of Associate in Arts, Associate in Science, and Associate Degrees for Transfer (ADTs) to those students who have completed the degree-applicable requirements for graduation and who have maintained a 2.0 average in degree-applicable courses. All courses that count toward the associate degree major or area of emphasis must be “satisfactorily completed” with grades of A, B, C, CR (credit), or P (pass). Students must also complete the general education residency and competency requirements set forth in Title 5 regulations.

Certificates of Achievement, Certificates of Training, and Certificates of Competency recognize a student’s satisfactory completion of a program of study and are awarded upon completion of all certificate requirements, grade requirements, and residency requirements listed in the College Catalog.

The Superintendent/President shall establish procedures to determine degree and certificate requirements that include appropriate involvement of the Academic Senate and the MPC Curriculum Advisory Committee.

The procedures shall assure that graduation requirements are published in the MPC Catalog and included in other resources that are convenient for students.

See Administrative Procedure 4100 – Graduation Requirements for Degrees and Certificates
