Chapter 3 General Institution

AP 3501 Campus Security and Access

During business hours, the District will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all District facilities is by key if issued, or by admittance via the Campus Security. In the case of periods of extended closing, the District will admit only those with prior approval to all facilities.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic will have regular periodic security surveys. The Vice President of Administrative Services or designee review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications. Additionally, during the academic year, the Vice President of Administrative Services and designees shall meet to discuss campus security and access issues of pressing concern.
