#### **AP 3515    Reporting of Crimes**

Members of Monterey Peninsula Community College District who are witnesses or victims of a crime should immediately report the crime to Campus Security and appropriate law enforcement authorities.

In the event an employee is assaulted, attacked, or menaced by a student, the employee shall notify his/her/their supervisor as soon as practical after the incident. The supervisor of any employee who is attacked, assaulted, or menaced shall assist the employee to promptly report the attack or assault to Campus Security and the appropriate law enforcement authorities. The supervisor shall make the report if the employee is unable or unwilling to do so. Reporting a complaint to local law enforcement will not relieve the District of its obligation to investigate all complaints of harassment.

The District will instruct Campus Security to notify students and employees complaining of sexual violence of their right to file a sex discrimination complaint with the District, in addition to filing a criminal complaint, and to report incidents of sexual violence to the District's Title IX Coordinator if the Complainant consents.

The District shall publish warnings to the campus community about the following crimes:

- criminal homicide – negligent manslaughter;

ethnicity, or disability and involve larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property, or any other crime involving bodily injury;

- those reported to appropriate law enforcement authorities; and
- those that are considered to represent a continuing threat to other students and employees.

In the event that a situation arises, either on or off-campus, that, in the judgment of the Superintendent/President or his/her/their designee, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the college e-mail system to students, faculty, staff, and through the appropriate student communication portals. The information shall be disseminated by the Director of Marketing and Communications, under the direction of the Superintendent/President or the Superintendent/President’s designee, in a manner that aids the prevention of similar crimes.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Director of Marketing and Communications, under the direction of the Superintendent/President or the Superintendent/President’s designee, may also post a notice on the District website at [www.mpc.edu](http://www.mpc.edu), providing the community with more immediate notification. Anyone with information warranting a timely warning should report the circumstances to Campus Security by phone [(831)646-4099 (landline) or (831) 760-2090 (cell)] or in person at the Campus Security Office (located on the Monterey Campus in the Student Center).

The District shall not be required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.

If there is an immediate threat to the health or safety of students or employees occurring on campus, the District shall follow its emergency notification procedures.

The District shall annually collect and distribute statistics concerns crimes on campus. All college staff with significant responsibility for student and campus activities shall report crimes about which they receive information.

The District shall publish an Annual Security Report every year by October 1 that contains statistics regarding crimes committed on campus and at affiliated locations for the previous three years. If you are the victim of a crime and do not want to pursue action within the District's system or the criminal justice system, you may still want to consider making a confidential report. With your permission, Campus Security can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the future safety of yourself and others. With such information, the District can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Campus Security encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the police cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to campus security authorities. Confidential reports of crime may also be made to the Title IX Coordinator at (831) 646-3038.

The report shall not identify the victim unless the victim consents to being identified after the victim has been informed of his/her/their right to have his/her/their personally identifying information withheld. If the victim does not consent to being identified, the alleged assailant shall not be identified in the information disclosed to the local law enforcement agency unless the institution determines that both of the following apply, in which case the institution shall disclose the identity of the alleged assailant to the local law enforcement agency and notify the victim of the disclosure:
