

## MONTEREY PENINSULA College

### The Program Costs:

Total Cost of the program is approximately \$2,150.00 for California residents. This includes course and material fees, textbooks, and estimated costs of uniform and knife kit. The [MPC Financial Aid Office](#) and the [Monterey County Workforce Development Board - Job Seeker Services](#) have financial assistance available for those who qualify.

### Breakdown of Program Cost

- **Fees** - \$1,141.00

Community College fees are regulated by the California Community Colleges Chancellor's office. *Students who are classified as a California resident for tuition purposes pay \$46 per unit.* The total program listed below is 22.5 units. The total cost of enrollment fees for the program is \$46 X 22.5 units = \$1,035.00

Term fees are assessed for each semester attended at MPC regardless of the number of classes taken. Term fees for each semester may include a Health Fee, a Student Center Use Fee, a Student Body fee, and a Student Representative Fee. These fees total no more than \$42 per semester as some of the above listed fees may be waived upon request. This program is offered during three semesters: Fall 2021, Spring 2022 and a Summer 2022 Cooperative Work Experience Opportunity.

- **Textbooks** - \$300

- **Uniform and Equipment**

- » Some items are available at the MPC bookstore, but you are not required to purchase them there. Please check with your instructor for required functions and recommendations.
