Long-term suspension – Within ten (10) days following receipt of the hearing panel's recommended decision, the Superintendent/President or designee shall render a final written decision. MONTEREY PENINSULA College

ADMINISTRATIVE PROCEDURES

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures (*Education Code Section 72122*).

The student shall be notified in writing, by registered or certified mail to the address last on file with the District, or by personal service, at least three (3) days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within two (2) days after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify, or reject the findings, decisions and recommendations of the Superintendent/President or designee or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

Services. The Dean of Student Services may arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the Dean of Student Services shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Dean of Student Services from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.

Withdrawal of Consent to Remain on Campus: The Dean of Student Services or designee may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, they must promptly leave or be escorted off campus. If consent is withdrawn by the Dean of Student Services or designee a written report must be promptly made to the Superintendent/President or designee.

The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven (7) days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to interim suspensions.

In no case shall consent be withdrawn for longer than fourteen (14) days from the date upon which consent was initially withdrawn.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest (*Penal Code Section 626.4*).

Official Reprimands: The Superintendent/President, Vice President of Student Services, Dean of Student Services, or instructor may issue written or verbal reprimand to a student upon a determination that the student's conduct has violated the Standards of Student Conduct. Any written reprimand issued by an instructor shall be referred to the Dean of Student Services to determine whether the written reprimand may become part of a student's permanent record. A record of the fact that a verbal reprimand has been given may become part of a student's record for a period of up to one year (*Education Code § 76031*).

Social Probation: A student may be excluded from participation in specified or all extracurricular District activities. Extracurricular District activities may include any college related activities for which the student receives no academic credit. Any exclusion must be made in

writing, and such writing shall set forth the reason or reasons for the imposition of the disciplinary action, the activities to which the exclusion applies, and the length of time for which it is to be imposed. A copy of the written notice of social probation shall be served to the student and shall be placed in the student's record (*Education Code § 76031*).

Disciplinary Probation: A student may be required to adhere to specific written terms and conditions defined by the Superintendent/President, Vice President of Student Services, and Dean of Student Services. The terms of probation shall bear a reasonable relationship to the violation committed by the student. The sanction may include, but is not limited to, ineligibility to participate in District or student-sponsored activities, including public performances, and may be imposed upon an individual student or group(s) of students. Disciplinary probation may be imposed for a period not to exceed one year. The terms of the probation shall be issued in writing, including any sanctions, the reasons for the imposition of the disciplinary action, and the length of time for which it is imposed.

Should the student violate one or more of the terms of the probation during the probationary period, the Dean of Student Services may impose a more stringent disciplinary action, such as suspension. The student will be notified of any violations and more stringent discipline in writing. The Dean of Student Services shall immediately notify the Vice President of Student Services and Superintendent/President (*Education Code § 76031*).

Time Limits: Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.
