PART B: TO BE COMPLETED BY PARENT / LEGAL GUARDIAN

It is imperative that parents/legal guardians and their minor children understand that, as students, they are entering a college environment that carries with it certain possible scenarios, not all of which can be anticipated. These precautions are not meant to create undue concern for parents or students, only to serve as an advisory to allow you to manage your particular situation so the student will have a positive educational experience at Monterey Peninsula College.

By signing below, parents/ legal guardians are acknowledging and accepting the following statements:

- All college coursework and grades become a permanent part of the student's official college academic history and transcript. These grades will not be changed or erased. Poor grades can have a far reaching effect, future admission to college or university of choice, eligibility for financial aid, etc.
- Special Note to Parents Regarding Right to Access Student Records: Under Section 49061 of the Education Code, parents of community college students do not have a right of access to their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, a student's college record and transcript will only be released upon the student's request.
- Students must abide by the Monterey Peninsula College Standards of Conduct and are subject to the student disciplinary procedures as stated in the College catalog. All disciplinary incidents become a part of the student's personal history.
- Students are expected to meet all deadlines, classes must be dropped within the stated deadline in the Schedule of Classes, grade options selected, assignments turned in on time, etc.
- Attendance is required, but not monitored by MPC. No one from MPC will call if a student misses class.
- Instructors cannot inform parents when classes are canceled at the last minute or when the class ends prior to the appointed time. Instructors cannot sit with a child while they wait to be picked up.
- Courses may include frank discussions of sensitive topics; audio-visual presentations may be graphic in their content and, students may be exposed to vulgar language outside of the classroom.
- Students may access condoms, pregnancy information, HIV information, and a wide variety of other services through the Student Health Services department.
- Group work, field trips, and/or class presentations may be expected in the class. If required, these activities and assignments will not be modified to accommodate dual enrolled students.
- The instructor may drop students for non-participation.
- Although CCAP class sections do not have fees associated with them, in general students are responsible for being aware of all fees. Traditional dual enrolled students are charged and responsible for fees. Any fee disputes must be handled within the semester/session in which the course was held.

I certify that I have read and understand the listed responsibilities and expectations listed for a dual enrolled student attending Monterey Peninsula College and give permission for my student to register for CCAP courses during their high school years.
