Board Member Intent to Give Form

Thank you for making the MPC Foundation a personal philanthropic priority. All members of the Board of Directors are asked to make annual unrestricted gifts commensurate with their capacity as a demonstration of that priority. 100% board giving serves several critical functions:

- 1. It demonstrates the commitment of the organization's leadership;
2. It enables the Foundation to credibly solicit contributions from foundations, organizations, and individuals; and
3. It provides a base of operating support for the organization.

Board members are asked to carefully consider their annual giving. As you do so, please note:

- This is not a formal pledge, but rather an indication of the amount of unrestricted philanthropic giving that the organization may reasonably expect from you this fiscal year.
This form is confidential and will only be shared with the Executive Director and necessary staff.
We ask that you consider a significant donation (a "stretch gift") relative to your own personal budget; we recognize that this is different for each person.
The amount you list on this sheet should be considered separate from any additional restricted giving you may do to specific college programs, scholarships, events, or campaigns.
Please indicate whether you intend to make gifts monthly, quarterly, annually, or at some other interval. Staff will be happy to send you a reminder if you request it.

Please complete the information below and return this signed form to the Executive Director. Thank you for your generous support of the MPC Foundation!
