

## Proposed Mission and Values Statement

**Mission:** Monterey Peninsula College is an open-access institution that fosters student learning and achievement within its diverse community. MPC provides high quality instructional programs, services, and infrastructure to support the goals of students pursuing transfer, career training, basic skills, and lifelong learning<sup>1</sup> opportunities.

**Previous Values Statement:** We hold the following as vital to the attaining of our Mission:

- Recruiting and retaining highly qualified and diverse faculty and staff.
- Supplying and supporting faculty and staff with high quality equipment and necessary training.
- Providing all faculty, staff, students and support personnel with clean, attractive and safe facilities.
- Fostering a culture of collaboration to promote and achieve student success.

**Proposed Values Statement:** To attain the mission of the college and enhance the intellectual, cultural, and economic vitality of our diverse community, MPC strives to:

- Cultivate collaboration to promote student success
- Recruit and retain highly qualified faculty and staff
- Provide students and staff with clean, accessible, attractive, and safe facilities
- Provide equipment and training sufficient to support student learning and achievement
